PROVIDER ACCESS POLICY

April 2018

Introduction

This policy statement sets out the Academy's arrangements for managing the access of providers to pupils at the Academy for the purpose of giving them information about the provider's education or training offer. This complies with the Academy's legal obligations under Section 42B of the Education Act 1997.

Pupil entitlement

All pupils in years 8-13 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.

Management of provider access requests

Procedure

A provider wishing to request access should contact
Linda Willoughby - Curriculum Leader of Citizenship and Careers.
Telephone 01472 500505
Email- enquiries@tollbaracademy.co.uk FAO Linda Willoughby

Opportunities for access

Premises and facilities

The Academy will make the halls or classrooms available for discussions between the provider and students, as appropriate to the activity. The Academy will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature with the Curriculum Leader.
