Dear Parents/Carers

All students in Year 7 and Year 8 have been given Teacher Assessed grades for the work they completed in the spring term. We have used classwork, homework, remote learning work and questioning in lessons to derive an holistic assessment grade for your child.

As detailed in our Easter letter, we are looking at more sustainable and convenient methods to communicate and share information with you about your child. With this in mind, we would like to encourage all parents/carers to sign into the Sims connect portal to view your child's most recent assessment data that we are currently uploading. This interface will allow us to share with you your child's timetable, future assessment data and written subject reports.

You will shortly be receiving an email on behalf of Tollbar Academy from noreply@sims.co.uk. Please click on the green 'Accept Invitation' button. Then select how you would like to sign in for your account. You can choose to use the following in order to log in: Facebook, Twitter, Google, Microsoft, Office 365 or Apple ID. The system will verify your details and then enable you to access information about your child.

Your child will also receive their log in details through their Academy user account and they will be given advice in their ICT lessons regarding how to access this information also.

Once you have logged in, you may wish to download the SIMS Parent app to enable even easier access to suit your needs.

If you have any concerns or queries regarding accessing this material, then please contact the Academy via the enquiries email.

Yours faithfully

Miss V J Watts
Interim Principal
