1 June 2021

Dear Parent / Carer

As we mentioned in our letter of Thursday 10 May 2021, please find below our schedule for the Year 11 Post-16 transition sessions. As the schedule indicates, there will be three optional sessions daily over a four-week period, focusing upon key subjects in the curriculum. The lead teacher of each session will post the relevant link in the Year 11 TEAMS group inviting each child to attend the session.

Curriculum staff have devised the content of each session taking into consideration the post-16 curriculum; we strongly encourage our Year 11 students to participate in the transition lessons in order to broaden their knowledge and prepare them for their post-16 studies.

Please can we take this opportunity to thank you once again for your continued support throughout this challenging year. GCSE Results Day will take place on Thursday 12 August 2021; once we receive further information and guidance, we will contact you regarding the results collection process.

Yours faithfully

Miss V J Watts
Interim Principal

Year 11 - Preparing for Post-16 Education Sessions

Week One - w/c - 21 June 2021
